NATIONAL CYBERSECURITY AND RESILIENCE CONVENTION 2026

28 October 2026

All speakers yet to be confirmed

Venue: Grand Pacific Hotel (GPH), Suva

Chief Guest: Hon. Minister for Policing and Communications

National Cybersecurity and Resilience Strategy 2026–2031 Pillars	
P1	Empowering Cyber-Aware and Digitally Safe Communities and Businesses
P2	Strengthening Cyber Incident and Cybercrime Response
P3	Protecting Government Systems, Critical Infrastructure, Data and Assets
P4	Developing a Skilled and Diverse Cybersecurity Workforce
P5	Enhancing Cybersecurity Leadership and International Cooperation

TIME	SESSION	PILLAR	VENUE	SIDE SESSIONS	
08:00 – 08:30	**Registration & Arrival** Delegates, school groups, MSME representatives and members of the public register and collect programs/badges.	—	Foyer, GPH		
08:30 – 09:00	**Official Arrival** Arrival of the Chief Guest and official party. **Speakers/Facilitators:** *Master of Ceremonies*	—	Ballroom A, GPH		
09:00– 09:10	**Welcome Remarks** Opening remarks reflecting on the purpose of Cybersecurity Awareness Month and progress under the National Cybersecurity and Resilience Strategy 2026–2031. **Speakers/Facilitators:** *Permanent Secretary, Policing and Communications*	**ALL**	Ballroom A, GPH		
09:10– 09:20	**Keynote Address** Official launch of Cybersecurity and Resilience Convention, as well as the Cyber Champions Program and the National Cybersecurity Portal. **Speakers/Facilitators:** *Hon. Deputy Prime Minister*	**ALL**	Ballroom A, GPH		
09:20 – 09:40	**Fireside Chat – Cybersecurity in the Region** A high-level conversation bringing together leaders from Fiji, Australia and Papua New Guinea to discuss the evolving cybersecurity landscape in the Pacific, regional cooperation, cyber resilience, and building stronger national and regional capacity to protect our digital future. **Speakers/Facilitators:** *Moderator: Mr Vijay Naraya, Journalist* *Hon. Ioane Naivalurua, Fiji Minister for Policing and Communications* *Hon. Peter Roberts, Australian High Commissioner for Fiji* *Hon. Robert Naguri, Papua New Guinea Minister for Information and Communications Technology* *Hon. Manoa Kamikamica, Fiji Deputy Prime Minister*	**P5**	Ballroom A, GPH		**Invite Only: Tabletop Exercise**

09:40–09:45	**Platinum Sponsor Address - TFL**		Ballroom A, GPH		
09:45–09:50	**Official Group Photo**	—	Ballroom A, GPH		
09:50–10:20	***Morning Tea***	Expo Hall, GPH			
10:20 – 10:35	**Cybersecurity: The Regional Threat Landscape** A 15-minute high-level briefing on the evolving regional cybercrime and financial crime threat landscape, highlighting key criminal threats, emerging trends, and the growing impact of cyber-enabled crime. **Speakers/Facilitators:** *CyberCX representative*	**P1**	Ballroom A, GPH		
10:35 – 10:50	**Cybersecurity: The Fijian Perspective** A high-level briefing providing an overview of the current cybersecurity threat landscape, key emerging threats and vulnerabilities affecting Fiji and the wider Pacific region. The session will highlight recent trends, common attack methods, and practical priorities for strengthening cyber awareness, preparedness and resilience. **Speakers/Facilitators:** Ms Catherine Subhaydas, Director, Fiji CERT	**P1**	Ballroom A, GPH		
10:50 – 11:10	**TRACK A - Keeping Our Children Safe Online** A practical and engaging session for parents, caregivers, educators, industry professionals and the wider community, exploring the evolving digital risks facing children and young people. From cyberbullying and CSAM to scams, gaming platforms and social media, this session examines the challenges children face in today's connected world. **Speaker/Facilitators:** *Mr Vytenis Benetis, EU Cybernet Representative* **TRACK B - Youth & Careers in Cyber: Pathways into the Digital Workforce**	**P1** **P4**	Ballroom A / Ballroom B, GPH		

KMPG Facilitated Tabletop Exercise

	An engaging session for youth covering everyday cyber awareness, online safety and responsible digital behaviour, alongside pathways into cybersecurity and digital careers. The session will also introduce opportunities such as the Cyber Champions Program, helping young people build both the awareness and skills to navigate and contribute to the digital world. **Speakers:** *Moderator: Mr Prashil Kumar, CEO, Cyber Acads* *Dr. Jashvir Bir, Lecturer, University of South Pacific Fiji* *Mr Vikash Prasad, Chief Technical Officer, Vodafone Fiji* *Mr Vinit Nand, CEO, Datec Fiji* *Ms Pritika Seth, Women in Tech Fiji, CyberHer Program Director* *Mr Faraz Khan, EU Cybernet Representative*			
11:10 – 11:30	**Cyber Hygiene: Scams** A practical cyber hygiene session examining scam calls, caller impersonation, and deepfakes as common forms of digital deception. The session will provide simple, practical guidance on what to check, what not to share, and what to do when receiving a suspicious call or encountering manipulated content. **Speakers/Facilitators:** *Ms Seema Shandil, Fiji Consumer Council, Chief Executive Officer*	**P1**	Ballroom A	**Youth Mini Hackathon Challenge (Part 1)** A fast-paced, hands-on cybersecurity challenge for children where teams design a creative solution to help people stay safe online, create a simple prototype, and present their idea to the group. **Speakers/Facilitators:** EU Cybernet **Location:** Ballroom B
11:30 – 12:00	**Beyond Defense: Building Cyber Resilience for Critical Infrastructure** How critical infrastructure organisations can prepare for, withstand and recover from cyber disruption, with insights on securing complex systems at scale. **Speakers/Facilitators:** *Mr. David Eyre, Chair – Telecommunication Authority of Fiji.*	**P1** **P3**	Ballroom A	
12:00 – 13:00	***Lunch***	Expo Hall, GPH		
13:00– 13:20	**Fiji's 24/7 Security Operations Centre – An Overview** Insights on how the 24/7 SOC detects, investigates and responds to cyber threats in real time and why it matters for Fiji. **Speakers/Facilitators:**	**P2** **P3**	Ballroom A, GPH	**CONTINUED** **Youth Mini Hackathon Challenge**

	Mr Tomasi Buli, Manager Systems and a/Manager Security and Operations, ITC Services		
13:20–13:40	**Data Protection and Governance** Explore how a new data protection policy and emerging legislation will change the way organisations think about information - and why cybersecurity awareness is fundamental to building public trust. **Speakers/Facilitators:** *Mr Ashial Singh, a/Director DGTO, Ministry of Policing and Communications*	**P1** **P2** **P3**	Ballroom A, GPH
13:40–14:00	**Rethinking Security When Using AI** AI is transforming how we work—but it also introduces new security risks. This session explores practical ways to protect data, manage AI-related threats, verify AI-generated information, and use AI responsibly and securely. **Speakers/Facilitators:** *Mr Lee Sea Lin, Senior Vice President of Solutions and Services, Toppan Ecquaria*	**P1**	Ballroom A, GPH
14:00 – 15:00	**Cyber Awareness Challenge** An interactive session exploring everyday cybersecurity risks and how to recognise them. Participants will work through realistic examples of phishing, scams, social engineering, password security and online threats, testing their ability to identify what is safe and what could be a cyber risk. **Speakers/Facilitators:** *Mr Ron Bala, Advisor, Fiji CERT*	**P1** **P2** **P4**	Ballroom A, GPH
15:00 – 15:15	***Afternoon Tea***	Expo Hall, GPH	

Speakers/Facilitators:
EU Cybernet

Location:
Ballroom B

15:15 – 15:45	**Panel: The Human Side of Cybersecurity: Gendered Threats and Shared Responsibility** Cybercriminals don't just exploit technology, they exploit people. Explore how women and men are targeted through doxxing, phishing, identity compromise, impersonation, and account takeover, why these attack vectors matter to everyone. Discover how we can work together to recognise threats, reduce harm, and building safer digital communities. **Speakers/Facilitators:** *Moderator – Ms Hannah Bradshaw, Head of Cyber Affairs,* *Ms Makereta Gavidi, ICT Infrastructure Team Lead, The Pacific Community (SPC)* *Mr. Nereo Peñalver García, Deputy Head of Delegation of the European Union to the Pacific* *Ms Seema Shandil, Fiji Consumer Council, Chief Executive Officer* *Ms Tori Lamb, Assistant Secretary, Cyber Affairs and Critical Technology Branch – Department of Foreign Affairs and Trade, Australia*	**P1** **P4** **P5**	Ballroom A, GPH	**Invite Only:** **TFL - Platinum Sponsor Technical Side Session** **Location:** Ballroom B	
15:45 – 16:00	**Upcoming Initiatives and Announcements:** A high-level overview of Fiji's ongoing and upcoming cybersecurity initiatives and key actions being advanced under the National Cybersecurity and Resilience Strategy 2026–2031. The Minister will also highlight priorities for strengthening national cyber resilience, collaboration, capacity building and Fiji's continued commitment to a safer and more secure digital future. **Speakers/Facilitators:** *Hon. Minister for Policing and Communications*	**ALL**	Ballroom A, GPH		
16:00 – 16:30	**Closing Remarks & Way Forward** Reflections on the two days and Fiji's continued partnership with regional and international stakeholders on cybersecurity. **Speakers/Facilitators:** *Mr Avish Naidu, Director - Communications, Ministry of Policing and Communications*	**ALL**	Ballroom A, GPH
